

Margaret Therkelsen

Margaret will be sharing Biblical truths of private prayer and the Biblical patterns for growing in Father, Son and Holy Spirit. She will teach on the power of corporate or group prayer from her experience of over 30 years with a prayer group of 45 to 55 people meeting weekly.

Her first book, *The Love Exchange, An Adventure In Prayer*, was published in July 1990 and has gone into its second printing by Revell Publishing Co. Her second book, *Realizing the Presence of the Spirit*, was released in September 1998. She has a third book, *The Prayer Experiment*, released in 2007, and she and her late husband John wrote *The Manual—For Prayer Groups—How to Start and Continue a Praying Community*.

About the speaker...

Stimulating others to develop an active prayer life of their own summarizes the thrust of Margaret Therkelsen's ministry today.

As a child, she felt a call to a life of prayer that had been initially nurtured by her parents as she witnessed God working through them in prayer. Her father, a leader in the Kentucky Conference of the United Methodist Church, gave a great sense of corporate prayer to her developing overall prayer pattern. From her father she also developed a unique quality of meeting people where they are in their walk, then encouraging them to go on with God as they deepen their prayer life. From her mother, who was active in various prayer movements, Margaret developed a sense of how real and personal God can be in prayer.

Out of these early childhood experiences and her own personal seeking, God has developed in her a prayer ministry that He has used to affect the lives of many people. Her ministry has spread beyond local connections as today she leads prayer retreats and seminars across the United States.

Following a life-changing experience with the Holy Spirit, now some 30 years ago, and a physical healing, Margaret has felt a new urgency to her ministry. This has resulted in surrendering a 33-year teaching career in music at the college level. She returned to the university to receive a Master of Science degree in Marital and Family Studies from the University of Kentucky and now has a full counseling practice within this area. She has a daily spot on a Christian radio station and leads a prayer group in her local church.
