REVERSE ADVENT CALENDAR

Join us in a special project this Christmas season by sharing generosity and love with people in our community. This year, we're sharing a special new tradition called the "reverse advent calendar" project. As you count down to Christmas, you and your family will collect a food item in a box at home, adding to the box each day. Then bring your box of food donations to the church on Christmas Eve to share with our local food pantries. It's a great way to remember giving back at Christmas! Instructions can be found at the Welcome Desk in the lobby.

ADVENT WREATH LIGHTING LITURGY

We would love for you to share the tradition of the Advent Wreath lighting at home. Stop by the Welcome Desk to grab special instructions on how to set up your Advent Wreath, prayers to pray, and scripture texts to read together as you light a candle at home each Sunday of Advent. Help keep your focus on the coming birth, and return, of Christ in this special way.

CHRISTMAS CAROLING

Come out with your Christmas attire, and your family, to join us as we go bring Christmas cheer to our church homebound. All ages are welcome! We will meet Sunday, December the 14th in the gym at 4:00 p.m. where we will divide into groups and head out into the community to sing. A light supper will be provided upon our return. Please sign up on the church center app.
